George is an accounting professional with over 20 years of experience with controllership, budgeting, forecasting and financial analysis and reporting. He has extensive experience working with high-net-worth individuals and families, single family offices, private foundations, operating businesses and partnership/investment entities. George works with some of the firm's most affluent and complex clients, and supports many other teams with complex custom and special projects.

George is known for being able to provide sophisticated custom reporting solutions for clients, including custom dashboards. He also is integral with helping many clients configure their accounting software to align better with their business model and financial infrastructure.

Prior to joining Seiler in 2014, George served as Controller for DBI Beverage, Inc. and Controller and VP of Finance for Hudson Beverage Company.
